

GARDEN TOUR 2019

We are planning to visit the New Forest in Hampshire for our 2019 tour. It will be a 3-night stay at the Forest Lodge Hotel in Lyndhurst. We are planning to depart Ash on Sunday 12th May, returning on the evening of Wednesday 15th May.

The approximate cost will be £295 per person for a twin or double room, sharing, and £340 per person for a double room with single occupancy. These figures include cost of hotel with dinner, bed & breakfast, portorage, coach and all gratuities. These figures may vary slightly but not by much.

On top of this will be garden entry charges. As we have not yet decided on which gardens we will be visiting, I am unable to give you this figure at the moment.

I will need to have a deposit of £80 by mid-September as I have to let the hotel have a deposit by the end of September. I will, as usual, write to you again with more details by that date if you have put your name down for it.
